

REBA AND PANCHO'S UPDATE

3.17.2020

As of now, our kitchen will remain open to service you with carry-out meals. While we are very conscious of the need for limited social contact and extra precaution during this time, our small and dedicated team wants to provide you, our wonderful community-family, with this service. Starting Wednesday, March 18th, although our dining room is closed, our lunch and dinner menus **will be available** respectively for take-out during our regularly scheduled business hours. Orders may be placed by calling us at 570-522-7006. Our team is prepared to package with great care and deliver directly to your car. No need to enter the building. We will gladly run your payment in for processing. It is our intention that with nothing more than a simple swing through our parking lot and an open and close of your car trunk, you find yourself back on the road and on your way home with Reba and Pancho's nourishment. While there are no guarantees in this time of uncertainty, it seems fitting to remind you that we have been named cleanest restaurant in PA by the PR&LA for the last 7 years. This award applies not only to the cleanliness of our facility, but also, to our safe handling and preparation of food.

Stay healthy,

the dedicated team at Reba and Pancho's
